

# ST.GALLEN SYMPOSIUM

## JOIN THE TEAM

### BECOME A PART OF COMMUNITY MANAGEMENT

**Be responsible for the community and participation of the Leaders of Tomorrow at the St. Gallen Symposium.**

#### YOUR TASKS

- Engage with the **community of 3000 global Leaders of Tomorrow**.
- Promote the **Global Essay Competition** in Asia, Europe, and North America.
- Research, select and invite **young entrepreneurs, politicians, and innovators**.
- Enable the **cross-generational dialogue** at the St. Gallen Symposium.

#### YOUR COMPETENCES

- You are **comfortable** in organising and conducting roadshows **in Asia, Europe, and North America**.
- You have a strong **interest in community building** to identify the most promising talents from all over the world.
- You are eager to **initiate ideas** to create a cross-generational dialogue.
- You are **structured and disciplined** in your working methods.

Optional but beneficial:

- Experiences with essay competitions/awards.
- Experiences in talent scouting.

#### WHAT WE EXPECT FROM YOU

- You are a **full-time student** at the University of St.Gallen (no exchange students).
- You have **successfully completed the HSG assessment year** by the Fall Semester 2021.
- You are **advanced** in German and English.
- You are willing to invest **ten months on a full-time basis** to make the 51<sup>st</sup> St. Gallen Symposium a success. You are eager to work in a **challenging, professional environment** – under pressure and as a team-player.

#### WHAT YOU WILL RECEIVE

- Be trained to **engage with a global network** of top-level executives and leaders.
- Experience **team spirit** to jointly organise a year of dialogue and a **world-class conference**.
- Tackle your **personal growth** by joining the ISC Experience for an early professional training.
- Become part of an exclusive 50 year old ISC Network and benefit from these relationships for a lifetime.
- If you are on the team for a whole year the HSG will award you **12 campus credits**. Additionally, you are eligible for the **8 ECTS elective block course** (“Project Management and Controlling“) in Fall.

#### YOUR BENEFITS

- Manage and **gain a global network** of brilliant young-minds.
- Gain **experiences** in both **community and project management**.
- Master the **communication** towards and selection of **global, young, and promising talents**.
- Look back on having **promoted the engagement** of your generation in the search for the solutions of our time.
