

ST.GALLEN SYMPOSIUM

JOIN THE TEAM

BECOME A PART OF OPERATIONS

Start in February and become responsible for the organisation and operations of the St. Gallen Symposium itself.

YOUR TASKS

While Communication, Innovation & Technology, Community Management and Key Accounts will continue and might be expanded, you and the remainder of the ISC Team could also become responsible for one of the following four teams:

- **Food and Beverage (F&B)** - Be responsible for the well-being of our participants and support crew.
- **Participant's Services (SER)** - Be responsible for the smooth functioning of all the services provided to our guests.
- **Social Sessions (SOC)** - Be responsible for the social and interpersonal elements.
- **Technical Operations (TECH)** - Be responsible for the complete infrastructure, safety, and smooth operations.

YOUR COMPETENCES

- You are a **team-player** that likes to work with others to master complex tasks.
- You are **solution oriented** and can be **flexible** when overcoming unforeseen challenges.
- You have a **high level of rigor** and a **great attention to detail**.
- You strive to deliver the **best participant experience**.

WHAT WE EXPECT FROM YOU

- You are a **full-time student** at the University of St.Gallen (no exchange students).
- You have **successfully completed the HSG assessment year** by the Fall Semester 2022.
- You are **advanced** in German and English.
- You are willing to invest **five months on a full-time basis** to make the 52nd St. Gallen Symposium a success. You are eager to work in a **challenging, professional environment** – under pressure and as a team-player.

WHAT YOU WILL RECEIVE

- Be trained to **engage with a global network** of top-level executives and leaders.
- Experience **team spirit** to jointly organise a year of dialogue and a **world-class conference**.
- Tackle your **personal growth** by joining the ISC Experience for an early professional training.
- Become part of an exclusive 50+ year old ISC Network and benefit from these relationships for a lifetime.
- If you are on the team for a whole year the HSG will award you **8 campus credits**. Additionally, you are eligible for the **8 ECTS elective block course** ("Project Management and Controlling") in Fall.

YOUR BENEFITS

- Receive up to **8 Campus Credits**, be eligible for the **8 ECTS elective block course** in Fall and be able to **postpone exams** into the Fall Semester.
 - Learn how to **plan, structure, and operate a large-scale event** for up to 1000 participants.
 - Understand how to **organise and lead Support Crews** of varying sizes (30 to 150 individuals).
- Develop a **stronger sense for creative solution** finding through being faced with complex situations.
