

# ST.GALLEN SYMPOSIUM

## AT A GLANCE

Founded in 1969, the St. Gallen Symposium is the world's most longstanding platform for **cross-generational dialogue**. We work towards our vision for decision-makers to "Lead with the next generation in mind" through dialogue formats around the globe and our main conference each May in St. Gallen, Switzerland. The St. Gallen Symposium is driven by a team of students from the University of St.Gallen, supported by dedicated professionals.

**50+**  
years of history  
**4-5 MAY 2023**

### UPCOMING TOPIC

## A New Generational Contract

The 52<sup>nd</sup> St. Gallen Symposium on «A New Generational Contract» will explore possibilities to deal with current challenges in a way that also sets the path for a more resilient, sustainable future. What are core responsibilities between generations, and our duties to future ones? How can we advance long-term transformations while effectively responding to immediate crises?
